Re: Notice of Oral Ex Parte Presentation
WT Docket No. 06-150
Service Rules for the 698-746, 747-762 and 777-792 MHz Bands

Dear Ms. Dortch:

In accordance with Section 1.1206(b) of the FCC's rules, this letter serves as notice that, in meetings on April 17, 2007, I discussed with Barry Ohlson, Senior Legal Advisor for Commissioner Jonathan Adelstein, and with Nick Alexander, Acting Legal Advisor for Commissioner Deborah Taylor Tate, issues contained in the above-referenced proceeding. In addition, on April 16, 2007, I had a telephone conversation with Bruce Gottlieb, Legal Advisor for Commissioner Michael Copps, on the same subject.

Specifically, in anticipation of a Further Notice of Proposed Rule Making in this proceeding and consistent with comments previously filed by DCC, in these conversations I urged Messrs. Ohlson, Alexander and Gottlieb to support a band plan for the commercial 700 MHz spectrum that includes multiple blocks licensed in smaller service areas. I pointed out that only by adopting such a band plan would the Commission successfully promote the deployment of competitive broadband services in rural America.

Please direct any questions regarding this filing to the undersigned.

Sincerely,

/s/ Thomas A. Coates
